

# WHO WHAT WHERE WHEN WHY HOW

This thinking strategy is a simpler version of the Issues Matrix.

It will help you to thoroughly investigate an event, issue or situation.

In the seven sections push your thinking hard to explore the questions asked.

Describe the event, issue or situation in your own words.

**WHO** - who was involved?

**WHAT** - what happened?

**WHERE** - where did it happen?

**WHEN** - when did it happen?

**WHY** - why did it happen?

**HOW** - how did it happen?

**“When people throw stones at you, turn them into milestones.”**
